

Dix's Garden

Imagine A Garden Filled With Pink Flowers!

The Memphis Mid-South Mississippi Affiliate of Susan G. Komen for the Cure® invites you to plant a pink "flower" in Dix's Garden. It's a special way to honor or memorialize your loved ones. You may take it home to decorate and then return it to the Affiliate's office before Race day so that we can "plant" it in Dix's Garden at the 6th Annual Race for the Cure Mississippi Gulf Coast. Take your flower with you after the Race and plant it in your flowerbed at home or display it at work.

Coroplast flowers are \$25 each and orders are due September 3, 2019. Flowers may be purchased by filling out this form and mailing it with payment to: 11975 Seaway Rd., Ste. A300, Gulfport, MS 39503 or online at www.komenmemphisms.org. Flowers will be available for pick-up on September 2 at the Komen Gulf Coast office. Flowers should be delivered to the Registration tent on Race morning for display in Dix's Garden. You may pick-up your flower after the Race is completed.

Decorate Your Flower

Celebrate a survivor, honor someone you have lost, thank a co-survivor or supporter, commemorate team members, or simply support Race for the Cure. Include a personal message or tribute. Customize and decorate your flower for display in Dix's Garden.

Dix's Garden is named in honor of Dix Nord, mother of Race Chair Sophie Nord. Dix was an avid member of the Coast community. She battled breast cancer with strength and integrity. Sophie carries on the memory of her mother by dedicating her time and helping create awareness about the importance of breast health education and screenings.
